US Corporations Were Licensed to Supply Hitler

Section 3(a) of the *"Trading with the Enemy Act"* of 1941 actually made it legal to trade with Nazi Germany in wartime.
World wars are contrived for power, profit and depopulation.

Patrick O'Carroll
(henrymakow.com)

Professor Antony Sutton stated it perfectly, "For all their manufactured wars, the Western Allies always require the best 'enemies' money can buy!" Adolf Hitler matched that description perfectly.

Many authors have documented how Hitler was a stooge of the West, whom the Western Zionist powers (Britain, the USA and France) placed in power in Jan 1933. They include greats like Henry Makow, Antony Sutton; Carroll Quigley; Fritz Springmeier; Carol White (for the Lyndon-Larouche Organization); Greg Hallett; etc.

But, a little-known act entitled the "General License under section 3(a) of the Trading with the Enemy Act" of 1941 actually made it "legal" for all "preferred bloodlines" and their corporations to support their very own agent Adolf Hitler financially, economically, but, most importantly, with total "impunity".

Whenever the Illuminati plan a war, it always requires a controlled-opposition stooge to "lead" the opposing "side". Proven US-GB stooges have included "Stalin" (Ioseb Dzhugashvili); Benito Mussolini; Osama bin Laden; Saddam Hussein; Manuel Noriega; and Vladimir Putin. TIMING

FDR signed the US "Hitler Enabling Act" on 13 Dec 1941, immediately after the US-GB-provoked (and permitted) Pearl Harbor "attacks" of 7 Dec 1941; and just after Germany absurdly declared war on the USA on 11 Dec 1941.

About the Tap

The Tap is and independent blog managed by Alternative View Media; a UK based events production group dedicated to discovering the truth about the world we live in and the experience of reality we all share.

www.alternativeviewmedia.co.uk

The fact that it was already formulated, and ready, is more proof that every single stage of WW2 was PLANNED.

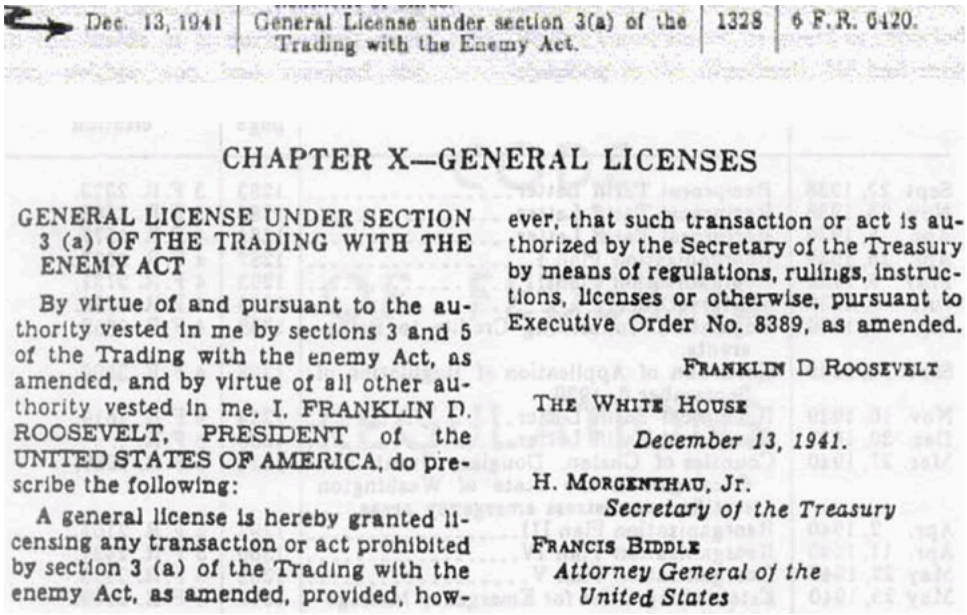
The US “Hitler Enabling Act” of Dec 1941 was most likely authored by the top lawyers of Bernard Baruch, who was the “Jewish” handler of FDR, Churchill, Eisenhower, Henry Morgenthau Jr, General “Wild Bill” Donovan, Dirty-Harry Truman, Samuel Untermayer …

The USA’s “Hitler Enabling Act” bore Federal Register citation “6 F.R. 6420” and was tied to “CFR page 1328”. It is shown here https://ibb.co/tT6wPg4B, and it is described in greater detail here: https://fraser.stlouisfed.org/title/5569/item/548499.

It meant that all major western corporations and all “elite bloodlines” could directly request a “special exception” to the Trading with the Enemy Act from US secretary-of-the-treasury Henry Morgenthau Jr (like FDR, a puppet of Baruch’s) who could simply grant a “special dispensation” to permit trade with Hitler.

In brief, the “Hitler Enabling Act” said: “The new general license provides that transactions which the Secretary of the Treasury licenses under the freezing-control orders may be effected without regard for the provisions of section 3(a) of the Trading with the Enemy Act”. Paraphrased, that reads, “permit ANYTHING to select parties!”

Henry Morgenthau Jr permitted MANY major western corporations and “preferred bloodlines” to trade with Hitler, including Ford, DuPont, General Motors, General Electric, ITT, Sterling Products, Cable & Wireless, IBM, RCA, Coca-Cola, Onassis Shipping, as well as top-“elites” like Rothschild, Windsor, Rockefeller, DuPont, Oppenheimer, JP Morgan, Watson, Onassis. The “Hitler Enabling Act” placed all these super-elite kingpins above the law!



Dec. 13, 1941 | General License under section 3(a) of the Trading with the Enemy Act. | 1328 | 6 F.R. 6420.

CHAPTER X—GENERAL LICENSES

GENERAL LICENSE UNDER SECTION 3 (a) OF THE TRADING WITH THE ENEMY ACT

By virtue of and pursuant to the authority vested in me by sections 3 and 5 of the Trading with the enemy Act, as amended, and by virtue of all other authority vested in me, I, FRANKLIN D. ROOSEVELT, PRESIDENT of the UNITED STATES OF AMERICA, do prescribe the following:

A general license is hereby granted licensing any transaction or act prohibited by section 3 (a) of the Trading with the enemy Act, as amended, provided, however, that such transaction or act is authorized by the Secretary of the Treasury by means of regulations, rulings, instructions, licenses or otherwise, pursuant to Executive Order No. 8389, as amended.

FRANKLIN D ROOSEVELT

THE WHITE HOUSE

December 13, 1941.

H. MORGENTHAU, JR.
Secretary of the Treasury

FRANCIS BIDDLE
Attorney General of the United States

Post-WW2 “history” was altered to brainwash the slaves with the LIE that “only” Prescott Bush had traded with the “enemy”. What really happened was either that Henry Morgenthau Jr did not officially permit Prescott Bush to trade with Hitler, or else Prescott Bush “forgot” to apply for a “special dispensation” from Morgenthau to do so.

In 1933-45, the following corporations and bloodlines helped Hitler, thus profiting enormously from WW2:

- Hitler’s funding and banking were supplied by the Bank of England, the Bank of France, the US Fed, the BIS, Brown Shipley & Co, Brown Brothers of NY (later BBH), Chase Bank, JP Morgan, First National Bank of NY.

- 40 percent of Hitler’s fuel came from Standard Oil; Texaco; Royal Dutch Shell; Chevron (Texas Company); Davis Oil Company. “Team Antichrist” routed western oil to the Axis via Spain, Vichy France, and Switzerland. (Note: 60 percent of German fuel came from German synthetic oil, and from Romania’s Ploiești oil refineries.)

- Western oil was transported by Aristotle Onassis Shipping, but not one of his ships was sunk in WW2! “Team Antichrist” made sure both WW2 “sides” gave Onassis carte-blanche to transport oil, so as to facilitate WW2.

- Chemicals were probably WW2’s biggest story of all. DuPont Chemical was one of 150 US companies that provided NSDAP Germany with patents, technology, and material resources that proved crucial to the German war effort. Other chemicals came from EI du Pont de Nemours & Co; “American IG” (a subsidiary of Nazi Germany’s biggest corporation, IG Farben); and IG subsidiary Chemnyco. Board members of “American IG” included Edsel Ford, Walter Teagle of Standard Oil, and US-Fed founder and kingpin Paul Warburg. Other chemicals came from British-Dutch Unilever, and from “neutral” Switzerland, Sweden, Spain, and Portugal.

- Hitler got industrial diamonds from the Belgian Congo (through Forminière, a subsidiary of Société Générale); and from South Africa (through De Beers, controlled mainly by Oppenheimer, Rothschild, and Windsor). They were needed for machining hard metals; wire drawing; drilling; mining: making aircraft- and tank-engines.

- Ford owned Ford Werke AG Cologne. General Motors owned Adam Opel AG Rüsselheim. General Electric partnered with Krupp and owned one-third of AEG (Allgemeine Elektrizitäts-Gesellschaft AG). These US firms supplied Hitler’s army with know-how, and built millions of vehicles and vast arrays of Hitler’s entire high-tech.

- US manufacturer International Telephone and Telegraph (ITT Corp) aided NSDAP Germany. During WW2, ITT’s share in the leading German aircraft-manufacturer Focke-Wulf grew from 25 to 74 percent. ITT’s German subsidiaries, such as C Lorenz AG and Signalbau Dr Erich F Huth AG, manufactured transceivers, radar equipment, telephone switchboards, and fuses for Germany’s artillery and for its V2 rockets.

- Throughout WW2, the British mammoth Cable & Wireless guaranteed the Axis “perfect communications”.

- US pharmaceuticals-giant Sterling Products (later Sterling Drug) fed hard-currency (USD) to Germany from all the Americas (e.g. all the profits from Bayer-patented Aspirin) throughout WW2.

- IBM supplied Germany via its subsidiary DeHoMag (Deutsche Hollerith Maschinen-Gesellschaft), so Germany got punch-card tabulating machines (i.e. precursors to computers) and full-custom punch-cards.

- RCA gave Germany the ICONOSCOPE (an early electronic TV camera tube), so Germany made the first tell-lie-vision Olympics broadcast in 1936, and built a TV guidance-system into its glide-bomb Henschel Hs 293D.

- The Coca-Cola Company provided Germany with investment and jobs. It originally invented the drink FANTA specifically for Germany, after Coke's "secret syrup formula" got embargoed in Dec 1941.

- The "neutral" nations of Switzerland, Sweden, Spain and Portugal laundered gold that the NSDAP had stolen for its MI6 bosses, mainly from most of the central banks of Occupied Europe. After WW2, over 50 German U-Boats went "missing" or were mysteriously "unaccounted for". Some say the Western Zionists ordered their NSDAP lackeys to use these 50 "missing" U-Boats to transport this looted gold to still-unknown destinations.

So, not only did the Illuminati create ZioNazi MI6 Agent Adolf Hitler, it also built his entire army!
